Dear Mr. Jansen:

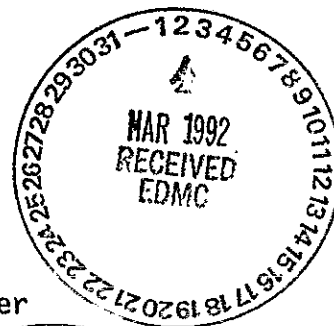

INCORPORATION OF ADDITIONAL INTERIM MILESTONES TO SUPPORT PRETREATMENT OF DOUBLE-SHELL TANK WASTE

Thank you for your February 6, 1992, letter in response to my January 24, 1992, change request M-02-92-1, Incorporate Additional Interim Milestones to Support Pretreatment of Double-Shell Tank Waste. I am pleased that you understand and support the milestones proposed in the change request. Since no response was received from Ecology or EPA within seven days of RL's request per paragraph 112, we are implementing the change as requested. RL is committed to pursue these new milestones in support of the 1999 hot start of HWVP.

RL understands Ecology's position on the need for additional pretreatment milestones and we look forward to resuming negotiations at the earliest possible date. RL shares Ecology's goal of concluding these negotiations by the end of February 1992. Please call me on (509) 376-6798 if you would like to discuss this matter further.

Sincerely,

Steven H. Wisness
